

Dear Parents,

The Little Library is located just outside the front door of the Primary School. Created to promote literacy and the love of reading, this free book exchange has been created especially for the children in the primary school. It is always open and available to you at any time you would like to visit. If you get a chance to stop by over summer break, you are welcome to take a book to read and enjoy, you can either bring it back or leave one of your own books for others to enjoy!

Sincerely,

Jennifer Anders
